

Dear Parents,

I have put this reading packet together to help encourage summer reading. Please help your child this summer by encouraging them to read every day for at least 20 minutes.

Students who read every day for 20 minutes over the summer will have read for over 1,500 minutes during their entire summer.

There is a reading log included in the packet where your student can rate the books they have read! There are 15 spaces, but I am not expecting you to read 15 different books! Just read for 15 to 20 minutes a day.

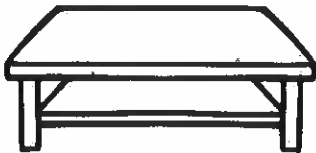

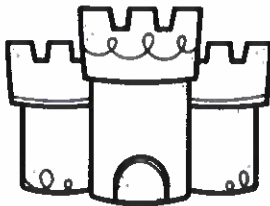

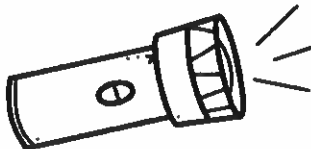

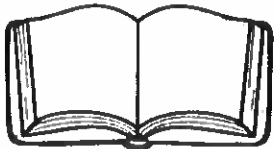

There are also some summary pages where your student could answer questions about the books they have read.

Happy Summer!
